

# **MAGAZINE and NEWSPAPER HOLDINGS**

## **of Jackson County Library Services**

**January 2010**

The following is a list of magazines and newspapers received in the Jackson County Library. The format is: Title of magazine or newspaper in capital letters; Branches and Departments where it is received; Holdings; Associated titles (in capital letters if on list).

Also listed are holdings of magazines on microfilm which are used on special readers.

Example of holdings: keep 5 yrs means 5 full years plus the current year.

The "(g)" after a Branch or Department name means that the magazine is a gift or donation; the holdings may be erratic.

Magazines check out for one week.

In Medford, Spanish language serials are kept together in the Spanish language section on the second floor.

Also included are any Indexes which are known, or found in the catalog (OPAC).
