

PRESS RELEASE

Release Date: June 29, 2010

Contact: Ashland Branch Library, 541-774-6996

Summer Reading Program for Adults

Adults can join in the fun of summer reading and win prizes, too. Jackson County Library Services hosts the adult Summer Reading Program, "Water Your Mind: Read." Pick up a reading log at any branch library, list four books you have read or listened to between June 14 and August 14, return the form to a local library, and you will be entered to win a prize. Weekly winners will receive a gently-used book. At the end of the summer, each branch will draw a winner for a grand prize. All completed entries need to be turned in by August 14, 2010 to qualify for these prizes.

Stop by or call your local branch for more information, or contact Amy Blossom at the Ashland Branch Library, 541-774-6987.
