Jackson County Library Adult Winter Reads Program

Jackson County Library Services' *Winter Reads* program will run from January 9 through February 21, 2012, at your local branch library. This is a fun program for adults to encourage more reading during the winter months. Just drop in to the library and pick up a Reading Log (or print one from the link on [www.jcls.org](http://www.jcls.org)), take it home, and write down four books as you read them. Listening to an audiobook also counts. After you have read four books and filled out the log, drop it by the library, and get another reading log.

Each week, at each branch, a drawing is held. The winning reader gets to choose either a gently-used book or book bucks for the Friends of the Library book sales. After February 21, everyone who has returned reading logs will have their names put into a drawing for a grand prize for a dinner certificate.

For additional information, please call your local branch library or 541-774-6996.
